
Date: November 3, 2011

We, Fujitsu Toshiba Mobile Communications Ltd., declare that this EUT (FCC ID: **YUW-FJI12**) doesn't have Ad Hoc Mode function on "non-US/Canada frequencies". In addition, the frequency selection feature is disabled by firmware for devices marketed to the US/Canada. For DTS part of this device, only channels 1~11 will be used in North America. Country code selection is disabled.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely yours,
